

HARDWARE

Hardware finish samples are approximate. Please contact Marvin Architectural to see hardware finish samples.

DOOR LOCKING SYSTEMS

Two Point Lock (standard)

Two point lock is activated from a non-keyed handle. This tough, proven design offers more security than a one-point lock used by other door manufacturers.

Three-point lock

For additional security, choose a three-point lock. This lock features a stainless steel mechanism and strikes activated from a non-keyed handle.

MARVIN ARCHITECTURAL HARDWARE

The Nobilus Collection For Windows

Now, Marvin Architectural Hardware offers a collection of designer handles for Wooden Sliding French Doors that complement our wide range of styles.

Door handles displayed below are available in all four finishes: Natural Nickel (70), Light Antique Nickel (71), Charcoal Black Nickel (72), Solid Dark Silicon (82), Natural Silicon (80).

Ashley Norton

Traditional and contemporary designs characterized by flowing lines and intricate detail.

Bouvet

French country-inspired wrought-iron designs from Bouvet's LaForge Collection.

Nobilus™

A mix of classic and rustic, solid investment-cast bronze designs.

Valli&Valli

Bold, modern designs crafted by famous designers and legendary Italian artisans.

DOOR SILL AND WEATHER STRIP OPTIONS

Beige Ultrex Sill and Weather Strip (standard)

Complements light, neutral and medium-toned clad colours and lighter wood finishes.

Bronze Ultrex Sill and Black Weather Strip

Complements dark clad colours and richly-toned wood species.

High Performance Low Profile Sill

The sill's height of less than 3/4" creates a flush, clean elegant look. Available for both wood and clad wood sliding doors in both beige and bronze, the low profile sill offers a smooth transition between interior and exterior.

INSTALLATION ACCESSORIES

Marvin offers a full range of installation accessories for your wooden sliding french doors to support a wide range of installation scenarios:

Vinyl nailing fins (standard)

Installation brackets

- 6 3/8" (162 mm)

- 9 3/8" (238 mm)

- 15 5/8" (397 mm)

Drip cap

Masonry clips

PANNING SYSTEMS, FRAME EXTENDERS, FRAME EXPANDERS, MULLION COVERS AND COLOUR-MATCHED COIL STOCK

These exterior accessories aid in remodeling and replacement installations when existing conditions around the perimeter of the window or door need to be covered. For use with Marvin clad-wood products.

Screens

Standard Sliding Screen

Aluminium top hung sliding screen with adjustable rollers and replaceable bottom guide. Available for both wood and clad-wood sliding patio doors. (See standard clad colour options.)

Ultimate Sliding Screen

Aluminum top hung sliding screen with roller bar, adjustable rollers and replaceable bottom guide. The exterior profile replicates the look of a traditional wood screen. Available for both wood and clad-wood Sliding Patio Doors. Choose from either Standard or Select clad colours. (See clad colour options.)
